ASTEROIDS™

Because shortages of some integrated circuits required substitutions during the production of ASTEROIDS, some confusion may result.

The following changes were made from Revision B to Revision C printed circuit boards:

<u>FROM</u>	<u>TO</u>
74LS399: (6 locations) A10, B10, C10, D10, E10, F10	74LS157: (9 locations) A10, C10, E10, B/C10, D/E10, F/H10
	74LS374: B10, D10
	74LS174: F10

Keep this list for reference just in case you happen to have with you the wrong schematic revision.
