

## Spare Parts for DC Pack Co. Ltd. 5-Volt Power Supply (Used in the Gauntlet™ Game)

| Atari<br>Part Number | Description                                    |
|----------------------|------------------------------------------------|
| <b>Capacitors</b>    |                                                |
| 99-208001            | Capacitor, .068 $\mu$ F, 250 VAC, Ceramic      |
| 99-208002            | Capacitor, .0022 $\mu$ F, 125 VAC, Ceramic     |
| 99-208003            | Capacitor, .01 $\mu$ F, 500 VAC, Mica          |
| 99-208004            | Capacitor, .220 $\mu$ F, 200 VDC, Electrolytic |
| 99-208005            | Capacitor, 330 pF, 500 VAC, Ceramic            |
| 99-208006            | Capacitor, 47 $\mu$ F, 25 VDC, Electrolytic    |
| 99-208007            | Capacitor, .001 $\mu$ F, 50 VAC, Mylar         |
| 99-208008            | Capacitor, 1 $\mu$ F, 50 VDC, Electrolytic     |
| 99-208009            | Capacitor, 4.7 $\mu$ F, 25 VDC, Electrolytic   |
| 99-208010            | Capacitor, 2.2 $\mu$ F, 50 VDC, Electrolytic   |
| 99-208011            | Capacitor, 10 $\mu$ F, 35 VDC, Electrolytic    |
| 99-208012            | Capacitor, .01 $\mu$ F, 50 VAC, Mylar          |
| 99-208013            | Capacitor, 3300 $\mu$ F, 6.3 VDC, Electrolytic |
| 99-208014            | Capacitor, 470 $\mu$ F, 10 VDC, Electrolytic   |
| 99-208015            | Capacitor, .01 $\mu$ F, 630 VAC, Mylar         |
| <b>Resistors</b>     |                                                |
| 99-208016            | Resistor, .5 $\Omega$ , 5 W, Ceramic           |
| 99-208017            | Resistor, 24 $\Omega$ , 1/4 W, Carbon          |
| 99-208018            | Resistor, 51 $\Omega$ , 1 W, Metal Film        |
| 99-208019            | Resistor, 10 k $\Omega$ , 1 W, Metal Film      |
| 99-208020            | Resistor, 220 k $\Omega$ , 1/4 W, Carbon       |
| 99-208021            | Resistor, 47 $\Omega$ , 1 W, Metal Film        |
| 99-208022            | Resistor, 10 k $\Omega$ , 1/4 W, Carbon        |
| 99-208023            | Resistor, 10 k $\Omega$ , 1/4 W, Carbon        |
| 99-208024            | Resistor, 4.7 k $\Omega$ , 1/4 W, Carbon       |
| 99-208025            | Resistor, 470 k $\Omega$ , 1/4 W, Carbon       |
| 99-208026            | Resistor, 1 k $\Omega$ , 1/4 W, Carbon         |
| 99-208027            | Resistor, 2.7 k $\Omega$ , 1/4 W, Carbon       |
| 99-208028            | Resistor, 2.2 k $\Omega$ , 1/4 W, Carbon       |
| 99-208029            | Resistor, 100 $\Omega$ , 1/4 W, Carbon         |
| 99-208030            | Resistor, 100 k $\Omega$ , 1/4 W, Carbon       |
| 99-208031            | Resistor, 51 k $\Omega$ , 1/4 W, Carbon        |
| 99-208032            | Resistor, 51 $\Omega$ , 1/4 W, Carbon          |

| Atari<br>Part Number       | Description                                                              |
|----------------------------|--------------------------------------------------------------------------|
| 99-208033                  | Resistor, 5.1 k $\Omega$ , 1/4 W, Carbon                                 |
| 99-208034                  | Resistor, 4.3 k $\Omega$ , 1/4 W, Carbon                                 |
| 99-208035                  | Resistor, 510 $\Omega$ , 1/4 W, Carbon                                   |
| 99-208036                  | Resistor, 10 $\Omega$ , 1/2 W, Carbon                                    |
| 99-208037                  | Resistor, 51 $\Omega$ , 2 W, Metal Film                                  |
| 99-208038                  | (Use part no. 99-208032)                                                 |
| 99-208039                  | Shunt Resistor                                                           |
| 99-208040                  | Resistor, Trim, Variable, 3 k $\Omega$<br>(VR1, + 5V Adjustment)         |
| 99-208041                  | Resistor, Trim, Variable, 1 k $\Omega$<br>(VR2, Over-Current Protection) |
| <b>Diodes</b>              |                                                                          |
| 99-208042                  | Diode Bridge, S2VB40                                                     |
| 99-208043                  | Diode, V19E                                                              |
| 99-208044                  | Diode, Zener, EQA01-11R                                                  |
| 99-208045                  | Diode, SM-1A-02FR                                                        |
| 99-208046                  | Diode, 1N001                                                             |
| 99-208047                  | Diode, MA161                                                             |
| 99-208048                  | Diode, Schottky ESAC83-004                                               |
| <b>Transistors</b>         |                                                                          |
| 99-208049                  | Transistor, 2SC2749                                                      |
| 99-208050                  | Transistor, 2SC2752                                                      |
| <b>Integrated Circuits</b> |                                                                          |
| 99-208051                  | Integrated Circuit, TL494CN                                              |
| 99-208052                  | Integrated Circuit, $\mu$ PC358C                                         |
| 99-208053                  | Integrated Circuit, TL431CLP                                             |
| <b>Miscellaneous</b>       |                                                                          |
| 99-208054                  | Photo Coupler, TLP521-2-GB                                               |
| 99-208055                  | Output Transformer, 05047                                                |
| 99-208056                  | Filter, Line, ELF-18D112                                                 |
| 99-208057                  | Coil, Choke, 35-17                                                       |
| 99-208058                  | Fuse, Miniature, 3 Amp, 125 V                                            |
| 99-208059                  | Fuse Holder, Clips, 85PN0829                                             |

For technical assistance in servicing this power supply,  
call Atari Field Service at (408) 434-3950  
(Monday-Friday, 7:30 am-4:00 pm Pacific time)
