## Let's Go Island | Sega | Video

The follow up to the number one Sega shooter 'Lets Go Jungle' is here. This time players are on a South Pacific island diving tour and soon end up in trouble with modern day pirates. Players must work together to survive everything the island has to throw at them. Be immersed in this nonstop island adventure with it's large LCD screen, frantic rapid fire game play and unique themed cabinet.

2 Player | Available in 3 models [see below] | Fixed rapid fire 'no reload' guns | Family fun adventure

### Gameplay

Like it's predecessor, Let's Go Island see's players take on a wide range of enemies and must work together to succeed. The exciting action sequences are back where players must time their actions together to conquer the challenges presented to them. There are also multiple routes to choose from as well as dangerous end stage bosses to defeat.
