## Sonic Sports Quad Air | Powered by Sega | Sports

Discover a new and innovative concept in air hockey! Sonic Quad Air, part of the Sonic Allstars range, is a 4 player table that is going to change the way you play air hockey.

### Gameplay

Sonic Sports Quad Air can be played with 2, 3, or 4 players at a time, and also 2, 3, or 4 pucks at a time. Each player's goal gate will drop when money is inserted on their side, so that when only 2 people are playing they cannot score on empty goals. It does allow anyone to join in on the fun though, at anytime, by inserting a coin and getting in on the action!
