

XD Dark Ride | Triotech | Simulator

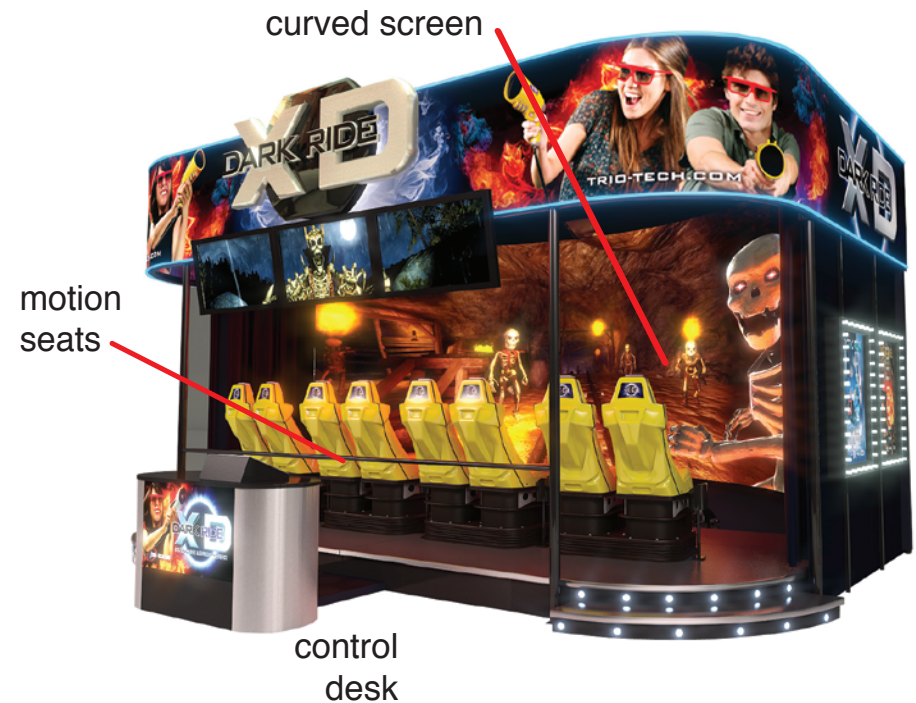

The all new XD Dark Ride redefines the interactive experience like never before. The XD Dark Ride is an incredible multi sensory interactive attraction for the whole family.

3D Stereoscopic graphics | Multiple adventures | Scoring system | Curved screen for more immersive experience

Game play

Players take their seats and put on the 3D glasses and prepare for a motion ride like no other. Along with motion, 3D and wind and lighting effect, players must shoot enemies to score points and finish top of the leaderboard.

The XD Dark Ride is customisable to your location - please ask for more details
