DRIVER UNIT

- With the new ES1A2 circuit board and 32-inch LCD screen, the world of Wangan Midnight MAXIMUM TUNE has evolved to a new level of excitement.

WANGAN TERMINAL

- The driver unit settings that were once a pain can now all be done in one place at the Wangan Terminal! The terminal will also heavily support tournament management. It also has card vendor functionality, so a separate card vending machine is no longer necessary.

BANAPASSPORT CARD

- Touch functionality greatly prevents card data loss.
