

3 Across | ICE | Sport | Ticket Redemption

A unique twist on the classic alley roller. The more "pockets" that you light up in a row the more points you score. Light up all nine pockets and win the "perfect" game bonus. The perfect game bonus marquee is available for a single game or link multiple games using the overhead bonus.

Linkable up to 3 player | Ticket redemption | A twist on the classic alley roller | Optional bonus marquee | Perfect game bonus

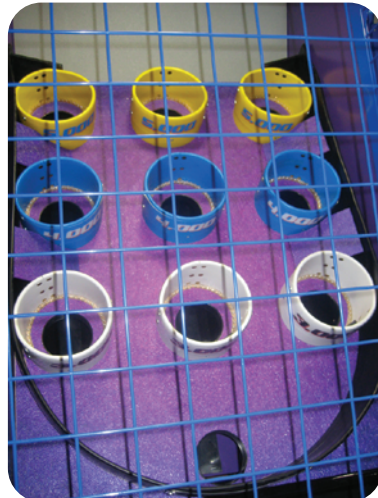

Gameplay

A new dimension to a classic favourite. Players roll the balls up the alley, aiming to get them in the pockets and score points. Double your score by lighting 3 pockets in a row. Light all 9 pockets for a perfect game and bonus tickets.
