

All Aboard | Andamiro | Ticket Redemption

All Aboard features a handsome Locomotive thematic design and family friendly tunes. LED lit transparent display buttons include an engraved image of a hand that delivers a realistic feel and furthermore enhances game play experiences. The narrating voice, decor and engraved details of the train make All Aboard an unforgettable experience.

1 player | Ticket redemption | Winner every time mode | Bonus jackpot feature | Engraved hand LED buttons

Gameplay

All Aboard couldn't be simpler. Players must stop the 3 spinning reels by hitting the large LED lit buttons to line up numbers to win tickets. Players win the jackpot prize when they align all three faces of the conductor. This charming redemption game is sure to be a run away success in any location.
