

Dragon Punch | Andamiro | Sport | Ticket Redemption

Unleash your wrath and challenge others to overcome a battle of strength, speed, and reflex with Dragon Punch.

Ticket redemption | Sleek and safe design | Urethane cushion pad for safety | Waterproof coating

Gameplay

Players have to hit the punch bag as hard as they can and set their highest score. Become a legend and beat the all time high score!

Dragon Punch is fully programmable to the operators needs. This includes being able to set the price per play, punches per play and ticket payout.

Electronic score displays

Hand friendly leather punch bag and rope

The punch bag is attached by a rope. This means unlike other punch bag games there are no hard parts that can be accidentally hit by the player.
