

# Snakes and Ladders | Sega | Ticket Redemption

A new twist on this classic game!

Ticket redemption | Great sound effects | Attractive lighting | Huge lit Snake & Ladders style cabinet | Twin ticket vends

## Gameplay

Pull back the snakes tail to send the ladder of ticket values spinning. Judge just the right strength to win big and take home the tickets. Each ticket win also comes with a chance at the bonus game: A ladder symbol takes you one rung closer to the Super Bonus whilst a snake sends you back down!
